

Our Fees

At Montague Solicitors we work as efficiently as possible without compromising on quality. By focusing on the key issues right from the start we can ensure that you get value for money. We make sure that there will be nothing unexpected by agreeing all costs in advance and in doing so we are happy to discuss a range of funding options. With initial consultation for new clients we offer an initial one hour fixed fee diagnostic consultation. The consultation can be in person, by phone, on a video platform or by exchange of email. This is an opportunity for you to seek initial advice on your case, get a second opinion, or gather sufficient information to take the case forward yourself.

Initial Consultation

The cost of the initial consultation is:

£200 with a partner

£150 with a solicitor

All fees quoted on this page are exclusive of VAT and disbursements.
